

## **CSS Job Clinic**

Hitting the job market next year and have no idea what to expect? Or maybe you want a second set of eyes on your CV or Cover Letter? Please join members of the CSS's Executive Board and Graduate Student Caucus for our second CSS Job Clinic!

This event will take the form of an open conversation between graduate students and contingent faculty and postdoctoral fellows, tenure-track and tenured faculty to give CSS GSC members the opportunity to ask questions about the job market process and discuss their job documents (CVs, Cover Letters, Teaching and Research Statements). Anyone contemplating the job market is encouraged to participate.

This event will take place during the first session of the conference on Thursday, July 25<sup>th</sup> from 8:30-9:45am and is open to the public.
